SMOKE GETS IN YOUR EYES

Words by OTTO HARBACH
Music by JEROME KERN

They asked me how I knew
My true love was true?

I of course replied,
"Something here inside,
Cannot be denied."

They said some day you'll find,
All who love are blind.

When your heart's on
fire. You must realize Smoke Gets In Your Eyes.

So I chaffed them and I gayly laughed, to think they could doubt my love.

Yet today, My love has flown away... I am without my love.

Now laughing friends deride, Tears I cannot hide... So I smile and say, "When a lovely flame dies. Smoke Gets In Your Eyes."

Each day I pray for evening just to be with you together, at last at Twilight Time.
